Production and Exhibition of Porn Films

2107. DR. BAPU KALDATE:
SHRIMATI KAMLA SINHA:

Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) whether production and exhibition of soft porn films in various parts of the country has come to the notice of Government;

(b) whether after censor of the films, re-introduction and inter-polation of the censored portions in the films by the exhibitors has also come to the notice of Government;

(c) if so, whether Government have critically examined the issue to curb the growth of such movies in various parts of the country; and

(d) if so, the measures contemplated by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI K. P. SINGH DEO): (a) and (b) Production of films in India is largely in the private sector on which the Government have no control. However, producers are required to obtain a certificate from the Central Board of Film Certification for public exhibition. State Governments/Union Territories Administrations are thereafter responsible for implementing the provisions of the Cinematograph Act, 1952. In the last 3 years, 80 cases have come to the notice of the Central Board of Film Certification where there are reports of exhibition of films interpolated with portions either deleted by the Board or portions not seen by the Board.

(c) Yes, Sir.

(d) In addition to the existing provisions under the Cinematograph Act, 1952, the Cinematograph (Amendment) Bill, 1992, has been introduced in the Rajya Sabha on 18-8-92. The purpose of the Bill is to make the Cinematograph Act more effective. The Bill, *inter-alia*, seeks to provide for :—

(i) legal liability on film processing laboratories;

(ii) enhancement of penalties provided in the Cinematograph Act with minimum punishment for interpolations in film; and

(iii) powers to Regional Officers of the Board, concurrently with the police officers, to seize a print in the case of interpolated films.
